This website is a tribute to the kind of people that attended school at Ford. Great job Mike!! I'm now retired; my wife Marie (Regina High School '65) and I have sold our house in Canton and just purchased a new home in Tavares, Florida on Little Lake Harris. The big move will come in the fall of 2005. Best to all who attended Henry Ford and especially everyone in the class of June '61.

I can't believe it's been 40 years since graduation from Ford. Some memories are still so vivid in my mind. After I moved to California I really lost touch with all former classmates. By chance I recently met Alan Weiss, Ford grad in 1965, on a golfing trip. It was fun to look back on some of those years. Alan, also like myself, was a Michigan State grad. So we shared some of our college memories as well. By the way Mike Zapolski should be given a lot of credit for his work in creating this website. To all former classmates I wish I could join you this summer for our 40th reunion - should be loads of fun.

Class of '63. Some of you may remember me as Coach's Daughter. My father was Athletic Director from 1957 until his death in 1972. Many of you came to his funeral and I never got a chance to meet you or thank you for coming. Your kindness meant a great deal to his family. He was very proud of Ford and his "teams". Dave Williams (62-64) and I are hoping to make the reunion in July. Old age has made us very sentimental and we would love to reconnect with some friends we lost touch with. Great website!

Does anyone remember or know the whereabouts of Mark Criner? He lived on Berg just north of Vassar and south of Taft on the other side of the street. He was a good friend of mine, should have graduated from Ford in 1974 or 1975 , and I'd like to get a hold of him. Thanks

Been awhile since I left an entry on this site. Hello to all ex-Fordites out there, especially the track and football teams of '72, '73 and '74. Nice job to Mike for creating this page. Greg Kelsner, if you're out there, I lost your number. Drop me a line if you read this. Some great golfing here in Minnesota. if you're ever in the area.

Hi Mike and thanks again for a great website. I'm sorry I won't be able to attend the 1963 Class Reunion, but am looking forward to receiving the memory book. Would love to hear from any of my former classmates/friends from those days. We've lived in CA for over 30 years and still love it. NO SNOW! Have been married to Larry Blaine (Mumford grad) for 37 years, have a 23 year old son, Steve who is in the restaurant business. I've owned and operated Basket Caravan, a gourmet gift basket company for the last 9 years. Visit my website at www.basketcaravan(dot)com to see what I do. Look forward to hearing from anyone I knew.

I haven't been on this site for a while, but because of this site I have been reconnected with a handful of long lost friends!! Thanks for providing a forum to help us find one another. I am living in Brattleboro Vermont and working for a classic rock radio station. I have twins 27 and still no grandchildren in the near future. My daughter is a personal trainer in Providence RI and my son is an ex- pro basketball player forging his way in NYC. Life so far has been a blast!

My brother Ken Parish and I on a recent trip to Detroit walked the halls of Ford High (in early Feb. '03). It was fun to "step back in time". I look forward to becoming more familiar with the site, and possibly hearing from old friends who graduated with me in Feb. of '67.

I've traveled through this terrific site, once more. Each time I visit, I am very impressed and proud of my brother for creating all of this. A WONDERFUL job, of love, Mike! I always go back in time and recall those days. They seem like just yesturday, but in reality many years have flown by. Here I am with seven grandchildren!! Hi! To all my fellow classmates ~ June/63. I won't be able to join in our 40th. Year Reunion, but want to wish good wishes to those who do. The reunion will be close to my neck of the woods,...I'll be thinking of you all. Have a great time!

Please note new e-mail address. Does anyone out there know what happened to Carol Marzacola, Sandra Pell, Charlotte Ledbetter, Patricia Alred, Joan Avery, Claudia Thornburg, John Benedict, Donna Janowitz, Jon Rudd, Linda Lindquist, Judy Lindquist, Paula Dow or any of her brothers or sisters, etc. or any other '68-'69 Fordite graduates that may have also attended Taft Jr. High, or Burgess Elementary. Would love it hear from anyone that might remember me, I also had two younger sisters, Leslie and Jill. I grew up on Winston St., just north of 7 Mile Road and west of Telegraph, used to have a Clark gas station and an Oak Barrel Pub on the corner. We moved the summer of 1966 when Babcock Apts. bought our house to build more apartments.

reconnect with other '66 alums. Michael (another '66 grad) and I have been married 32 years and just moved to upstate New York after 28 years in Chicago. Hard to believe so many years have passed since our days at Ford.
